Re: Security Breach Notification Affecting 1 New Hampshire Resident

Dear Attorney General Foster:

Pursuant to N.H. Rev. Stat Ann. § 359-C:20, we are sending this letter to notify you of a potential security breach.

Recently, we became aware of an unauthorized intrusion into a database used by the Wisconsin National Guard Association (WINGA) in connection with their group life insurance program. New York Life Insurance Company is the insurer for the program. The program is administered by WINGA. The breach occurred to the system of a vendor retained by WINGA. This intrusion may have resulted in unauthorized access to the personal information of individuals and beneficiaries currently or previously insured under the WINGA group life insurance program, including the name, address, date of birth, and social security number of 1 New Hampshire resident.

In response to this incident, we notified all effected individuals on November 23, 2016, and offered 1 year of credit monitoring from Equifax Credit Watch Gold Service. A forensic review of the compromised system is being conducted to determine the cause of this unauthorized access.

Please feel free to call me at (914) 846-3620 if you have any questions or require additional information.

Sincerely,

Brian O'Neill
